*When John heard in prison what the Messiah was doing, he sent word by his disciples and said to him, "Are you the one who is to come, or are we to wait for another?"*

*Matthew 11:2-3  
Gospel for Third Sunday in Advent*

John had spent his adult life preparing people to receive the coming Messiah. He preached, and he preached, and he preached some more. He lived a destitute lifestyle and was not afraid to speak out against hypocrisy or sin whether it be from self-righteous Pharisees or a king who stole his brother's wife.

The latter resulted in his imprisonment, and it is here that he hears all sorts of things about this guy, Jesus, who he had been telling everyone was the Messiah. One way or another, John had to deal with being wrong, and that is never an easy thing for any of us. Either John was wrong about Jesus being the Messiah or he was wrong about the kind of Messiah God was going to send to save the people.

And so he sends disciples to ask a most painful question, "Are you the one...?" "Are you the one...?"

Like John, it is not unusual for us to find ourselves in prison, though ours are almost always figurative rather than literal. Regardless, our prisons prevent us from living life as God would wish for us. This is true whether our prisons are self-imposed or forced upon us by life's circumstances.

We can be imprisoned by strained relationships with friends or family members. We can be imprisoned by an economy that threatens our means of providing for our families. We can be imprisoned by grief or depression or even arrogance.

From our prisons we would do well to follow John's example and ask Jesus, "Are you the one?" And then we must listen and wait for the Holy Spirit to answer our prayer. If we are granted the grace to believe that

Jesus is indeed the one for whom the world waited over 2,000 years ago, it makes all the difference in the world.

If Jesus is the one, then that affects the way we relate to family and friends. If Jesus is the one, then it affects the way we grieve and the way we work. When we come to believe that Jesus is the one, there is no aspect of our lives that is not affected. We are able to experience hope in the midst of loss and we are able to give and receive love in the midst of hurt. If Jesus is the one, we can be comforted knowing that he is stronger than any prison.

This season of Advent is a season of hope and anticipation, not so much for Jesus' birth, but for his immanent return. Through God's grace, we are a people of hope. Through God's grace we know in our hearts that Jesus is the one to come. Through God's grace we know that there is no prison that can hold us forever. As we journey together this Advent season, know that JESUS IS THE ONE, and he is for you!

*Your Servant in Christ,  
Pastor Geier*

## DECEMBER WORSHIP SERVICES

For the month of December, the contemporary worship service that is usually held on the first Sunday of the month will be held on the second Sunday (December 11). A traditional worship service will be held on the first Sunday (December 4). See you at church!

## Preschool Chatter

The month of November brought cooler temps and plenty of exciting learning about night creatures, healthy eating, and Thanksgiving. This month's actives included many hands-on activities, including making playdough, working and shopping in our pretend grocery stores, and a Thanksgiving feast! We talked a lot about what it means to be thankful and how God has provided us with all the wonderful things we have in our lives. As a staff we know one of our blessings is definitely being able to do what we do to help the children grow and learn on a daily basis.

The holidays are in the air and preschool is really starting to buzz. The children started working on their Christmas program songs in early November and can't wait to perform for their families on December 22 at 6 pm.

Thank you to all who helped our fundraising efforts through the greeting card sales and ordering gift cards through Raise Right. We greatly appreciate your support. While Raise Right is an ongoing fundraiser throughout the whole year, we will place one more holiday order on December 8 for those who still want to give physical gift cards for the holidays.

As we move into the Christmas season, we pray that each of you finds the meaning of the season in your hearts. May time spent with family and friends be treasured moments for you all!

Christmas blessings to you all,  
Becky Kaphing and Lorelei Rein  
Preschool Co-Directors

## Thank You!

On behalf of the entire family of Alfred Weisser, David and Geneva would like to thank their St. Philip's family for their overwhelming outpouring of love and care at the passing of David's father. He truly felt at home with you, and he enjoyed visiting here and talking with you, and it is obvious you cared for him as well.

**Robin and Lori Stark** on their 40<sup>th</sup> wedding anniversary on December 18.

## DECEMBER 4 STEWARDSHIP COMMITMENT SUNDAY, PLUS BREAKFAST!

Please bring your pledge card in its envelope on December 4. The Stewardship Ministry Team would appreciate if all cards get returned with or without an intended giving plan. Lots of cards means the mailing was opened and responded to.

Following worship everyone is invited to a free breakfast. The breakfast menu is pancakes, sausage, fruit, milk and coffee. It will be served in the Fellowship Hall. It will be good to gather around tables for food and conversation. Please plan to come.

## FAMILY SUNDAY SCHOOL FUN

The Christmas season is coming soon! Join the December 4 Family Sunday School at 10:30 am to kick off the season with crafts, stories and fellowship.

## CHRISTMAS AND NEW YEAR'S WORSHIP LEADERS

Are you going to be in town and worshipping with us over the holidays? If so, please consider volunteering to help with any of the worship services on Christmas Eve (3:00 pm and 5:00 pm), Christmas Day (9:30 am), and New Year's Day (9:30 am). The schedule is on the kiosk for you to sign up, or feel free to contact Lori Best at: [loribest1@gmail.com](mailto:loribest1@gmail.com) or 763-807-3667.

### CHRISTMAS PROGRAM

Christmas Program

This year's Christmas Program will be December 18 at the 9:30 am worship service. Preschoolers-6<sup>th</sup> graders, we would love for you to come be part of the 2022 Christmas program. There will be speaking and non-speaking parts. Also, looking for musicians to play Christmas hymns. In addition to some practice during Sunday School there will be one rehearsal held on Saturday, December 17 from 9-11 am.

To be part of the Christmas Program sign up on the Sunday School Info bulletin board OR contact Kelsey Wormley at [KelseyW@splchastings.org](mailto:KelseyW@splchastings.org) or Pastor Geier at [PastorGeier@splchastings.org](mailto:PastorGeier@splchastings.org).

### CHRISTMAS EVE WORSHIP SERVICES

Christmas Eve worship services will be at 3:00 pm and 5:00 pm.

In order to make everyone welcome and comfortable for Christmas Eve worship, all seating in the sanctuary will be open with no restrictions at the 3:00 pm service. The

5:00 pm service will have social distance seating available in the wing sections, as has been done throughout the pandemic. The green taped areas are for safe seating with the yellow taped areas restricted with no seating.

## COMMUNITY SERVICE / SOCIAL JUSTICE MEETING FOLLOW-UP

Eighteen members of the congregation attended a Table Discussion on how we could expand Community Service/Social Justice efforts at St. Philip's. A follow-up meeting was held with a smaller subgroup.

Here is our plan...

There is a desire to do more community service projects NOW as **teams** from St. Philip's that serve the community AND promote fellowship AND presence in the community for our church.

While there are already projects occurring (Meals on Wheels, Blanket tying, School supply drives etc.), we want to do more to be the hands and feet of Christ.

An initial project of helping sort the 1200 pounds of food recovery (produce and meat) donated to Hastings Family Service from Cub one Monday morning a month has begun with a small team of people. We hope to establish a second team in the near future. We also want to expand the number of blood drives we do with the Red Cross and establish a park cleanup team in the spring. You may have additional ideas for team projects.

We want to establish a new method of signing up to help. Once a month, an email blast will go out to the congregation stating the opportunities at hand. There will be a link in the email to Signup Genius, an online simple volunteer signup that many organizations use. You can sign up the day you see the opportunity and you will know if the slots are already full. Watch for this email in the near future.

If you have other ideas for team projects and would like this to go out to the congregation via this new method, contact Cindy Toppin at [ctoppin409@gmail.com](mailto:ctoppin409@gmail.com).

The social justice discussion led to many ideas: climate change, homelessness hunger, racial justice, but no one idea prevailed. We need a leader who passionately wants to lead this effort. If you feel like that is you, contact Pastor Geier to discuss further.

Thanks to everyone who participated. It was a great discussion!

## WE NEED YOUR IDEAS!

It is that time of year again! Most of you know that St. Philip's Lutheran Church is a generous community of faith that supports God's work within and beyond our congregation. We invest at least 10% of our regular offerings in ministries outside St. Philip's including the ELCA, Green Lake Lutheran Ministries, Lutheran Social Services, and Young Life. In addition, at our annual meeting we vote on ministries beyond ourselves to receive 10% of our capital campaign offerings and miscellaneous offerings. One of these ministries is to serve Hastings area residents and the other is to cast a wider circle including national and international ministries.

If YOU have an idea you would like to be included on the ballot at our next annual meeting, please let the pastor, church office or a council member know. The council will then decide on the local ministries and broader ministries to be on the ballot at our December council meeting.

## HALLOWEEN DOWNTOWN EVENT

The Halloween downtown event was a huge success on a balmy Sunday afternoon! Thank you to all who generously donated food items and volunteered their time before, during and after the event. A big shout out to Bill and Vicki Pavlish and Bob and Susan Cruse for taking on the organization of the day. We served over 750 cups of cocoa (350 gallons) and passed out over 1,000 pieces of candy! We refilled our water supply at Second Street Depot. St. Philip's had a great presence for the annual event.

---

### TRUNK OR TREAT

On October 29 we had 17 vehicles and a boat join us for our first ever St. Philip's Trunk or Treat event! This event was a combined event between our congregation and our preschool. The weather was perfect as our church had over 85 children come and take pictures with some fancy cars, play some fun games, and of course get lots of treats! We would like to thank everyone who participated and hope to have this event again next year!

## PHILADAZZLE BECAME A REALITY!

From a couple of conversations in the summer of "We should resurrect an Advent Dinner like we had years ago..." to the establishment of a steering committee, to brainstorming ideas, Philadazzle was born. Again held on the first Sunday of Advent, it took on a new look to usher in the holiday season. At press time we are looking forward to a fun evening of food, fellowship, and music. A big thank you for all the weeks of planning goes out to the "ideas" committee that became the "doing" of the details crew: Gerri Lundby, Raul Jackson, Margaret Goderstad, Kathleen Luedtke, Geneva and David Weisser, Gladys Campbell, Lois Wroge, Deb Frandrup, Lois Twedt, Camille Johnson-Oster. We cannot wait to share pictures of the fun in next month's newsletter!

## STEWARDSHIP TEMPLE TALK

November 13 marked the beginning of the 2022 Stewardship emphasis under the theme "Embody Our Mission". Al Carstensen held the congregation's attention in a touching recall of his life as a member of St. Philip's. Included in Al's remarks were people who he holds in his memory and events which took place to enhance the church building or more personal projects like creating handheld crosses for individual members. To "Embody Our Mission" we strive to build and nurture each other. Al's message represented how he has lived out that mission for over 45 years.

Camille Johnson Oster gave the second of the three Temple Talks scheduled for the "Embody Our Mission" stewardship theme. Her personal testimony of how St. Philip's nurtures her life and fills her spiritual cup on a regular basis was warmly received. Camille completed her talk with a real-life story of three orphaned students being adopted by a 29-year-old woman named Rachel just that week at which Camille had been invited to witness. It was "a praise God occasion" without question.

## CONFIRMATION 2022

On October 30, five young people took their vows of Confirmation in the faith of the Lutheran church. It was a moving worship service with extended family members present to join in the prayers of each Confirmand.

## KEEPING CONNECTED

Hello,

We are the Zuzeks! My wife Aleaha (Zabel) and I are lifelong members of the Hastings community. We have an eighteen-month-old son, Archie. He is a bright spot every day. We also have a one-year-old Cavapoo named Sully. He keeps it all interesting. We love to spend time with either side of our family, as we are fortunate to live near many family members. We love to go for walks and spend time outside with our boys. Aleaha has a passion for design and decorating. I love anything to do with sports. Archie is as much of a boy as possible, as he loves trucks, cars, his farm animals, and his mama.

Aleaha and I met at Hastings High School. I was a junior and she was a sophomore when we started dating. I happened to be a student in her mom's math class at the time. Needless to say, I started to take math class a little more seriously at that point. From there we both went to Saint Mary's University in Winona, Minnesota. If you know our parents, you could probably guess what we studied. I studied secondary social studies education and Aleaha studied elementary education. We benefited from the close connections we had with our professors and peers at such a small university. We got engaged on the bluffs of Winona just after college in the summer of 2018. After graduating, I got my first teaching job at Farmington High School and Aleaha was fortunate enough to be hired at McAuliffe Elementary School. She is in her fifth-year teaching second grade. Three years ago, I was hired in Hastings, and I now teach ninth grade Civics, as well as coach boys and girls tennis.

We were married at St. Philip's on December 28, 2019. It was magical! Not too much later, Archie was baptized here in June 2021. We love being part of an inclusive church community where it feels like an extension of our family. I remember Aleaha telling me the story of how her family came to St. Philip's. They had visited numerous churches in the area, but the day they arrived at St. Philip's the service had barely started when she leaned over to her mom and said, "This is the one. It feels like home." We are so grateful

to live in a town that we love and be a part of this wonderful community.

*Alex, Aleaha, and Archie Zuzek*

Hello! Greetings from the Nelson family!

Sydni is our oldest at 22 and she is studying at Inver Hills Community to be a paramedic. When she is not at school or doing ride-alongs in the ambulance, she can be found working in registration at Regina Hospital here in Hastings. With any spare time she has, Sydni enjoys hiking during the summer and skiing in the winter.

Brayden is our middle child and is 20 years old. He works full time delivering auto parts for Factory Motor Parts in Eagan and is attending Western Governors University where he is pursuing a degree in Cybersecurity. Brayden enjoys golfing, skiing, and spending time with his girlfriend, Madeline, whom we all adore!

Averi is our youngest at 17 and she is a senior at Hastings High School. She just finished her last season of tennis and is just beginning her final gymnastics season. She keeps herself busy working at Coborn's and is almost always with her friends. After Averi graduates, she plans on attending college although she hasn't decided for sure where that will be. One thing she does know is she wants to work with animals!

Quentin is employed as an IT support specialist with the City of Hastings and Heidi is self-employed with a cleaning business. When we aren't busy with our children, we enjoy taking road trips to country music concerts and bourbon tours down in Kentucky. During the summer we spend almost every weekend on the river. We recently moved to the country, and we absolutely love it! We have quite the zoo with our 2 dogs, 3 cats and we will be adding chickens in the spring. There is never a dull moment around here!

We are so blessed to be a part of St. Philip's and the memories we have made here!

*Quentin, Heidi, Sydni, Brayden and Averi*

I've so enjoyed reading these stories each month in the newsletter, so when I was asked to write our own story, I couldn't say no!

Warren and I met in Devils Lake, North Dakota where I grew up and he had moved for a job. I was moonlighting behind the bar at a local place in town and Warren was on a dart team. He rarely spoke to me but one evening he managed to tell me that he was a 'big deal' because he was on not one but two billboards in the area - of course, I drove by, and he was!

After dating, getting married, buying a farmhouse 20 miles out of town, and having Maxwell, we had the opportunity to move to Hastings. Once arriving we were determined to find a church family (having previously been members of St. Olaf Lutheran Church in Devils Lake). We trialed some churches in Hastings but kept coming back to St. Philip's not only because of the location but the warm and welcoming environment from everyone in the congregation. After seeing how welcomed not only Warren and I were but also our boys, we quickly became members.

Our oldest, Peyton, joined the Children's Choir with Ellen Diischer. He kept busy with the play each year along with school and sports. He just finished his first high school level sport of cross country (he's currently a freshman) and is looking forward to the upcoming basketball season. He keeps busy hanging out with friends, hunting, snowmobiling (when he's able), and playing basketball or shooting hoops as much as he can. He also gets volunteered for many things (by mom and dad) and currently is co-coaching Max's 1-2 grade basketball team through the Y.

Maxwell, our wild-man middle, is a first grader and also keeps busy with sports (soccer and basketball) and enjoys all things Nerf, army, dress up (he has always had such a great imagination), reading, going on adventures, being helpful, and most recently Minecraft. He's involved in the Children's Choir at church and tells me he really enjoys singing and knowing the words to the songs.

To round out our family we have Carolyn, who attends preschool at St. Philip's - we have such an awesome preschool program! She has been my sidekick since day 1 and loves going on adventures with me since

we typically spend our days together. She can often be heard reiterating me to her brothers (those poor boys). You can typically find her playing with her coloring books/colors, toys, in Kids Stuff at the Y, or at dance class with her buddies.

While I could write about our kiddos all day, I think you may want to know a little about us as well...Warren grew up just north of Bemidji, Minnesota. After graduating from Bemidji High School, Warren worked for a year before attending college at MSCTC in Wadena for telecommunication. He moved around for jobs in Detroit Lakes and Alexandria, before eventually moving to Devils Lake where we met. Warren is currently working for CenturyLink in town and is always my go-to for tech support (his co-workers are very appreciative of his work ethic and knowledge as well). You can typically find Warren in the outdoors, snowmobiling, deer hunting, camping, four-wheeling, working on our house, playing with the kiddos, or busy with one of my projects I dreamed up (he's a really great guy).

I (Katie) grew up in Devils Lake, North Dakota. I've always liked to keep busy, so even during high school I would work between 1-3 jobs as well as participate in extracurricular activities (golf team, statistician for the basketball team, manager of the football team, and yearbook among others). This didn't change once I graduated from Devils Lake High School and continued my studies at Lake Region State College where I graduated with an associate's degree in Marketing (while there I worked on campus in the public relations office and was a member of the DECA club). Quickly after graduating, Peyton and I moved to Fargo, North Dakota so I could attend North Dakota State University for Hospitality and Tourism Management where I graduated with my bachelor's degree. After working in tourism for Devils Lake and being the events planner for the LRSC Foundation, I am lucky enough to work from home currently for a company called DailyLook. I otherwise fill my time with our family, volunteering on the Faith Formation Committee at church where I teach Sunday School and hold down my position as 'runner' during VBS (rest assured there is no actual running), as well as help on the Hastings Basketball Booster club where I run the concessions for tournaments and other events.

We all look forward to learning more about our church family each month and will see you around town or at church.

*Warren, Katie, Peyton, Maxwell and Carolyn Thomas*

## FELLOWSHIP OF LEFSE MAKING RESUMES

The post-pandemic era resulted in St. Philip's lefse makers coming together again to create a volume of lefse for its annual Soup and Bake Sale. Two sessions were conducted resulting in 175 packages ready for sale on November 19.

*Creating the lefse balls for the rollers are Vonnie Olson, Glenda Schnirring and Sharon Moody. Fifty pounds of riced potatoes were used on this workday*

*Denise and Jim Jacobs, a husband wife team are highly experienced pros at this*

*Pastor Geier teams up with Tim Preston to do their share of the day's yield*

*Sally Anderson rolls the lefse with a friend, Jane, ready to turn the lefse at the right time*

*Pam Hoffman partners with Sue Cruse, who leads the group lefse making effort*

*Geri Holmseth is the quality control judge on which lefse rounds get packaged for the sale*

*Deborah Dreher and Patty Todnem are a team of rolling and lifting the freshly baked product*

*Darla Kimmes and Barb Jorenby at their lefse station*

## TREE REPLACEMENT PROJECT COMPLETED

The surprising loss of eleven trees planted in 2013, following St. Philip's expansion project, was a surprising shock for St. Philip's Grounds Team. Through the summer Precision Landscaping pointed out the conspicuous dying of the trees and proposed a plan to remove and replace the lost trees.

Through the removal of the dying trees, it became clear that improper planting was the likely reason for the trees not getting established.

The opportunity to donate one or more trees was given to the congregation and in short time, tree replacements were claimed by donors. The congregation extends its warmest and sincere thanks for every gift of a new tree. The list of donors is as follows. Some donors have chosen to honor the memory of a family member(s).

**Name**

Matador Maple

Spring Snow Crab and  
Autumn Brilliance Serviceberry

*\* An additional Japanese Lilac Tree (\$450) is available to anyone who wishes to donate it.*

The congregation once again extends its heartfelt thanks to everyone who donated a tree. With spring will come the budding out of new and healthy tree growth. The beauty of God's creation, as found on St. Philip's grounds, will again be in its fullness.

## OPERATION CHRISTMAS CHILD

Every year, Robyn Tank and Emily Preston take the lead in presenting St. Philip's members with an opportunity to personally touch the lives of children in another country. A box is filled with practical but fun and enriching items to fit the boy or girl in the age range chosen. Robyn and Emily manage the delivery of the approximately 50 boxes to the needed destination point. Many thanks to them for this outreach effort.
