Now I would remind you, brothers and sisters, of the good news that I proclaimed to you, which you in turn received, in which also you stand, through which also you are being saved, since you hold firmly to the message that I proclaimed to you—unless you have come to believe in vain. For I handed on to you as of first importance what I in turn had received: that Christ died for our sins in accordance with the scriptures, and that he was buried, and that he was raised on the third day in accordance with the scriptures.

1 Corinthians 15:1-4

From the Second Lesson for Epiphany 5

I don't know about you, but there are many times when I need to be reminded of one thing or another. Sometimes, I need to be reminded more than once. There are times when I am resentful when I get reminded and think to myself, "I knew that! Why does he/she think I need to be reminded?" I then remember that I have given ample evidence of forgetting things and in reality I am grateful for these reminders of important events, obligations or responsibilities.

Perhaps there is no more important reminder than the apostle Paul's reminder to the church in Corinth and to us. In clear and concise language, Paul lays out the core of what we believe as Christians, and why it is important. What we believe is that Christ died for our sins and was raised from dead, and because God has blessed us with a faith to believe these things, we are saved.

I think that this passage is a reminder for everyone. It is the very core of what we believe, and yet too often we live our lives as if we have forgotten it. As people of faith we must continually ask ourselves. What difference does it make in my life that Jesus died for our sins? What difference does the reality that Jesus was raised for our salvation make in how I live my life?

Another of the most basic truths is that every one of us believes in Jesus Christ because someone else told us about Jesus and reminded us of the difference Jesus makes. It may have been a parent or grandparent or neighbor or friend, but we all owe our faith to God's working through another's witness.

That is one reason I am so grateful for our brothers and sisters who have shared their faith with us every fall in our Temple Talks and in our "Keeping Connected" newsletter articles. What a difference it makes to see how Jesus has worked in and through St. Philip's Lutheran Church. Each of these witnesses serves as a reminder that God is active in our lives.

It is my hope that every member of our congregation will take the opportunity to share your witness with us. You have a story that we need to hear! Think about what you would share with us, your brothers and sisters in Christ.

Who are you and what do you do? How did you first learn about God's love for you? How did you come to be a part of the body of Christ at St. Philip's? What difference has your faith and membership made in your life? Why do you support God's work here? What do you hope your children will grow up believing?

Through your continued witness God will remind us of the tremendous power of Jesus' love, and that is a reminder we all could use!

Your Servant in Christ,

Pastor Geier

Preschool Chatter

The students were very happy to return from Christmas break and get back to some normal routines! The month of January definitely had some colder temps, so we enjoyed many fun indoor games such as parachute, indoor snowball throwing, and yoga for large motor. Our themes for the month were Laura Numeroff books, winter weather, gingerbread man, and winter animals. Some spotlight activities for the month were building with playdough, follow the leader in chapel (teaching about being good disciples), making our own class books, and singing lots of songs. We also were able to enjoy some fun winter stories with Miss Megan - the public librarian. Boy, did the kids love her stories and silly songs.

As we continue on with our Raise Right fundraiser, we would encourage anyone who is ordering on a monthly basis to check out our online registration. By creating an online account, you can reload your cards from home and also track the amount that you have been spending. Then you will see just how much you are helping us out. Please contact us at preschool@splchastings.org or see Dolores Pemble for more information. Of course the regular way to order is still great too. Thanks to your generosity, we will be having Carpenter Nature Center come out to our school in February and do a story time with animals. This defiantly is not something we could do without your Raise Right support.

Just a reminder that registration for the 2025-26 school year will begin for current preschool families as well as church members on Tuesday, February 11 at 8:00 am. Forms will be available on the welcome center and on our website starting Sunday, February 9. If you know someone who is not a member, but would like to join our preschool family next fall, please invite them to start dropping off registrations on the evening of February 18 between 5:30-6:30 pm or any time after that day. Word of mouth really is our best advertisement, so please share our program as much as possible. Families are always welcome to call or email us to set up

private tours. Our phone number is 651-437-6541 and our email is preschool@splchastings.org. Our 2025-26 preschool sessions will run from 9 am-noon with the option of attending two days (Tue/Thurs), three days (Mon/Wed/Fri), or all five days (MTWTF) each week. Feel free to follow us on Facebook at St Philip's Preschool for more information as the registration time gets closer!

Thank You!

Thanks to All. So many of you have expressed concern for my health since my fainting scene in November! Your thoughts, prayers and cards are so appreciated. They are a reminder of how we care for each other in sharing Christ's love. Rest assured that I am in good health and relearning the importance of stress management. Thank you again,

Barb Jorenby

Thank you to each and every person who supported the Christmas "Gift A Senior" Program for Augustana Care Center and St. Philip's Homebound residents. We reached our goal! Because of you, 62 residents received a gift for Christmas and put a smile on each resident's face! Also, by purchasing a gift, you also helped support St. Philip's Youth programs. Together we make a difference in the lives of our community and our own children! God bless you! Happy New Year!

Kathy Willis

Thank you to all those who have been making the beautiful prayer shawls that are available in the narthex. Thank you for taking part in this ministry of sharing God's love.

Keeping Connected

Hello everyone, it's nice to meet you. We are Sam, Sheila, and Maggie Robertson and we joined St. Philip's in 2022. Here's a bit of our story: Sam's dad was a pilot for Northwest,

so he grew up living in Northfield, Minnesota, Anchorage, Alaska, and finally Grand Rapids, Minnesota. There he enjoyed playing basketball and board games with friends, and working as a camp counselor at the Y.

Sheila grew up in Forest Lake, Minnesota and then Grand Rapids, Minnesota. There she grew up with her siblings on a hobby farm, playing sports, and participating in the jazz, symphony, and marching bands.

Sam got his Elementary Education degree from Bemidji State University. After college he moved back home to continue working at summer camp and after-school programs.

Sheila got her Health and Exercise Science degree from Gustavus Adolphus College. While there she participated on the 2009 NCAA DIII 3rd place softball team. After that she moved back home to pursue a career with the Y.

It was the summer of 2010 that Sam and Sheila finally met (even though they went to high school together) working at the local Y together as camp counselors and honing their passions for youth development. In 2012 they started dating, and in 2014 decided to move to the Twin Cities to be immersed in the vibrant culture – we love to go to concerts, sporting events, restaurants, breweries, etc.! Sam lived in Eagan and worked for the Y as a site director for their school-age care program, continuing his career with the Y. Sheila lived in Hopkins and worked as the Sports Director at the Ridgedale Y, and then as a Youth Development Coordinator for Minnetonka Community Education. This capped Sheila's eight-year career with the Y.

In May 2019 Sam and Sheila got married and moved to Eagan with their cat, Ruthie. After the pandemic and stay home orders brought light to small apartment living, they decided to buy their first house, in Hastings!

In July 2020 they moved to Hastings, ½ block from the church (how convenient)! They brought another cat to the family – Cherry. Sam continued to work for the Y until 2021, when he became School Age Care Coordinator for Hastings Community Education (current). This capped his 15-year career with the Y. The Y remains special to us as we met working there and got our careers off the ground there! Sheila opted to eliminate the commute to Minnetonka and became Deputy City Clerk for the City of Mendota Heights (current).

It was in 2022 when we started meeting with Pastor to find a church home, as we wanted to become more engrained in the community and find a place for our family to grow up. We really loved the welcome from Pastor, and the openness of the church, messages, and congregation.

In December 2022 our daughter Maggie was born. She's now two years old and has been our pride and joy every day and every minute since. She loves our cats (and all animals), celebrating holidays, playtime with cousins, reading, and playing Star Wars with Dad.

We love this town so much; still exploring its greatness after five years. We love the small-town charm, the caring residents, the unique opportunities, and the special place we can make a home for our family.

Children's Time

On January 12 there was a lesson at the baptismal font for the children, who seemed very interested.

Annual Meeting Will Again Be Both In-Person and Via Zoom.

On Sunday, February 2 at 10:45 am, St. Philip's Lutheran Church will conduct our congregation's annual meeting. At this meeting we will accept reports from our staff ministry team and lay ministry team leaders, vote on lay leadership for the coming year, and approve a budget.

There again will be an option to participate via Zoom. The Zoom link is in the annual report and will also be sent out on Friday, January 31 with the weekly email.

We will still need a quorum to complete these important matters and we anticipate that everything should take less than an hour, so please plan on participating. Like in previous years we will keep record of all those participating. You will note that there are green and red pieces of paper in the newsletter that should provide enough materials for two voting members per household. If there are more than two voting members, any green or red paper will work or a paper with "YES" or "NO" written in large letters will suffice.

We will also be voting how to distribute our tithe of capital campaign and miscellaneous income evenly between four different ministries, two ministries from Hastings/Dakota County and two from beyond Dakota County. On February 2, you will vote for one ministry in each category and the two ministries in each category receiving the most votes will each get $\frac{1}{4}$ of our tithe.

We are not yet certain if or how those participating remotely might participate in this portion of our meeting.

COME AND WORSHIP!

For centuries, Lent has been a powerful worship experience for the Church. For thousands of years, the church has gathered for the special occasions of worship during this sacred season. Lent is part of our legacy. Lent is an extension of our heritage. Although Lent does not start until next month on March 5, why not plan to make mid-week worship a part of your Lenten discipline this year? We will continue our tradition of using Holden Evening Prayer. All our Midweek services are at 7:00 pm.

During this Lenten season we will explore the question, "Where in the world is God?" and the answers might be surprising!

What We Remember Will Be Saved: Story of Refugees and the Things They Carry

tells the stories of six women and men who are forced to escape war in Iraq and Syria and who carry the worlds that they left behind with them when they flee. A woman named Hana sews the story of her Aramaic-speaking city into a dress. A young man

named Ferhad saves the songs of his Kurdish community. Munir saves his goodness after escaping the violence of Mosul; helping ordinary people in a camp in Lesbos. Adnan and Ghadir, two pharmacists from Aleppo, rebuild their pharmacy in the ruins of war. And Qassem, a Yazidi from Mt. Sinjar, rescues his family on a mountain, and then saves the story of what happened so that it will never be forgotten.

Together, their stories paint a portrait of a religiously and culturally diverse corner of the Middle East disappearing, and the people saving it with their stories. Each voice puts us in front of an essential question: What is the deepest part of ourselves, the one thing that can never be taken from us?

This book is for everyone. Today, one in every 69 people on earth is forcibly displaced. The author, Stephanie Saldana, wants readers to experience the reality that refugees are teachers and students, artists and musicians, farmers and chefs. The author says, even in the face of immense violence and loss, "there is always something small to be carried, some act to be done, and that these little things transform history in ways we only later understand."

The book is available at the Hastings Public Library or online. We will meet for five sessions during lent.

If you have questions, contact Cindy Toppin at ctoppin409@gmail.com.
