So if anyone is in Christ, there is a new creation: everything old has passed away; look, new things have come into being! All this is from God, who reconciled us to himself through Christ and has given us the ministry of reconciliation; that is, in Christ God was reconciling the world to himself, not counting their trespasses against them, and entrusting the message of reconciliation to us. So we are ambassadors for Christ, since God is making his appeal through us; we entreat you on behalf of Christ: be reconciled to God.

2 Corinthians 5:17-20

From the 2nd Lesson for the 4th Sunday of Lent

“So we are ambassadors for Christ, since God is making his appeal through us.” That verse is printed on every newsletter of the three-point parish I served in Cashton, Wisconsin the first ten years of my ordained ministry. Aptly enough, the newsletter was titled “The Ambassador.”

However, as Lutheran Christians, we believe that all expressions of the Church and its varied ministries are ambassadors for Christ, sharing the Good News, caring for those who are hurting, and advocating for the voiceless and the powerless.

That is why I feel I must address something that has happened on February 1. I have been your pastor for almost ten years, and I am aware that we are a congregation that includes passionate Democrats and passionate Republicans, and I consciously seek to find the things we all can agree upon while acknowledging our differences. (And for the record, I am a registered independent who has voted for both parties.) One thing we can agree on is the eighth commandment that states, “You shall not bear false witness against your neighbor.”

On February 1, Mike Flynn, a retired general and previous adviser to President Trump, posted on X (formerly Twitter) “Now it’s the ‘Lutheran’ faith (this use of ‘religion’ as a money laundering operation must end)” and inferred that Lutheran organizations like Global Refuge (formerly Lutheran Immigration and Refugee Service) and Lutheran Services in America receive way too much federal grant money with no transparency regarding its use. Elon Musk shared this

post adding the comment, “The @DOGE team is rapidly shutting down these illegal payments.” DOGE is an acronym for the Department of Government Efficiency, a new government advisory group co-led by Musk and created by President Trump’s Administration.

There is absolutely nothing true or factual about Mr. Flynn’s statement, and he does not offer any evidence to support his libelous claims. Every Lutheran Social Services organization undergoes annual independent audits to maintain transparency. Whether it be in Minnesota or LSI of Iowa, or LSS of Wisconsin and Upper Michigan or any of the other state LSS organization, LSS provides public access to their financial statements and audits on their websites.

LSS across the nation provides resettlement services to legally admitted refugees, including Hmong and Afghan allies who risked their lives to protect US troops, as well as persecuted Christians and other minorities. All these refugees have been vetted and approved by multiple US government agencies before traveling to our country.

LSS is also one of the largest agencies that help facilitate adoptions as well as provide counseling services, disability services, foster care, resources for homeless youth and many other vital services that address the needs of our most vulnerable neighbors. There is no “laundering” going on.

This issue is not about being a Republican or a Democrat. It is about speaking the truth and about advocating for the powerless and hurting. Presiding Bishop Elizabeth Eaton, the presiding bishop of the Evangelical Lutheran Church in America has issued a video message in response to these false allegations that can be found on YouTube.

The truth is that there are also many nursing homes and assisted care facilities across our nation that are operated under the umbrella of Lutheran, Catholic, Methodist, Presbyterian and other Christian affiliated organizations. In Hastings, the Benedictine Living Center and Hastings Senior Health and Living (formerly Augustana) are two examples. These facilities receive most of their funding from Medicare and Medicaid and that does indeed add up. But it is not “money laundering” or illegal or fraudulent.

There can be (and, in fact, are) differences of opinion in our society on the role of government in providing human services. However, up to now, there have been laws established by Congress, and policies implemented by the various departments of the executive branch, and opinions of the Supreme Court,

that have favored the usefulness and value of the government contracting with religiously-affiliated agencies and institutions to provide such human services. These agencies provide services regardless of the religious affiliation of those served.

Wherever you are on the political spectrum I encourage you make your voice heard, speaking the truth in love (Ephesians 4:15) as we all continue our call as ambassadors for Christ, trusting that God is indeed making his appeal through us.

Your Servant in Christ,

Pastor Geier

Preschool Chatter

It is hard to believe we are almost to March!

Our February fun included learning about kindness and love while celebrating Eric Carle books, Valentine's Day, dinosaurs, and ice cream. Some highlighted activities were fizzy heart science activity, dinosaur songs, making our own ice cream, and of course our Valentine's day parties! We are also very excited to have animals from Carpenter Nature center visit our classes on February 26 and 27.

Registration for next school year is in full swing. We will have morning classes from 9 am-12 pm on M/W/F, T/Th, and the option of M-F. Forms can be found on the preschool tab of the church website or on the welcome center. If you or your family, neighbors, or friends have a preschooler, invite them to join us for the 2025-2026 school year. If you have any questions about registration please feel free to call or email Becky or Lorelei at preschool@splchastings.org

Thank you to everyone who joined us for our Culvers night on January 27. We raised \$260.80. We have one more of these planned for the school year on April 28 from 5-7 pm. A note for all our Raise Right Supporters: Raise Right orders will be due on March 9 due to staff being gone for spring break the following week.

As always thank you for all your prayers and support! Our little program really appreciates being able to be part of the St. Philip's community and being able to reach out teach the children of Hastings for almost 40 years now.

Stewardship Notes...

The Stewardship Ministry Team will take their turn reminding us of the theme "Abiding in God's Abundance" throughout 2025. Gerri Lundby is first. She's chosen to share how she enjoys watching the children bring their offerings to the altar during the receiving of our offerings and has added this well-known song-verse.

*Jesus loves the little children,
All the children of the world.
Every child in every land,
Jesus holds them in His hand.
Jesus loves the little children of the world.*

Lenten Book Study

Lenten Book Study begins on Wednesday, March 12 immediately after the Lenten service.

What We Remember Will Be Saved: Story of Refugees and the Things They Carry tells the stories of six women and men who are forced to escape war in Iraq and Syria and who carry the worlds that they left behind with them when they flee. A woman named Hana sews the story of her Aramaic-speaking city into a dress. A young man named Ferhad saves the songs of his Kurdish community. Munir saves his goodness after escaping the violence of Mosul; helping ordinary people in a camp in Lesbos. Adnan and Ghadir, two pharmacists from Aleppo, rebuild their pharmacy in the ruins of war. And Qassem, a Yazidi from Mt. Sinjar, rescues his family on a mountain, and then saves the story of what happened so that it will never be forgotten.

Together, their stories paint a portrait of a religiously and culturally diverse corner of the Middle East disappearing, and the people saving it with their stories. Each voice puts us in front of an essential question: What is the deepest part of ourselves, the one thing that can never be taken from us?

This book is for everyone. Today, one in every 69 people on earth is forcibly displaced. The author, Stephanie Saldaña, wants readers to experience the reality that refugees are teachers and students, artists and musicians, farmers and chefs. The author says, even in the face of immense violence and loss, “there is always something small to be carried, some act to be done, and that these little things transform history in ways we only later understand.”

The book is available at the Hastings Public Library or online. We will meet for five sessions during lent.

Red Cross Blood Drive

St. Philip’s will be hosting the Red Cross for a blood drive on Tuesday, March 18 from 12:00-6:00 pm. You can sign up to give blood on the Red Cross webpage www.redcross.org. If you would like to help at the blood drive, please contact Katy Lindberg at 651-341-2411.

St. Philip's Leadership Retreat

On Sunday, March 2 from 11:30 am - 5:30 pm, our church council and all of our ministry team members are invited to a planning retreat at the beautiful Gathering Center at Spring Lake Regional Park in Hastings. The primary purpose of this retreat is to:

- 1) Get better acquainted with each other
- 2) Grow spiritually as we pray, study Scripture, and reflect on our ministry and God's will for us and for St. Philip's Lutheran Church
- 3) Set attainable goals for each area of ministry

There will be fellowship, there will be laughter, there will be learning, and there will be food. (Another round of Geiers' Loaded Potato Bar.) If you have any questions, please do not hesitate to ask Pastor Geier. Your participation will make this a better event!

Grief Support Group

Grief is a universal experience. We can't avoid it. In the book, *A Grief Observed*, C.S. Lewis shares, "For in grief nothing stays put. One keeps on emerging from a phase, but it always recurs. Round and round. Everything repeats. Am I going in circles, or dare I hope I am on a spiral?" If you are dealing with the loss of a loved one, we would love to have you join us. The dates for our 2025 Wednesday support meetings are:

March 26 at 6 pm
 May 21 at 6 pm
 September 3 at 6 pm
 December 3 at 6 pm

We will meet in the community room (Pastor Geier's old office), unless otherwise noted.

2025 St. Philip's Church Council

St. Philips' nine-member church council convened its first meeting following the Annual Meetings council elections. (Pictured back row) Lois Twedt, Secretary; Dolores Pemble, Treasurer and Finance Coordinator; Pastor Geier; Jen Klos, Learning Ministry Coordinator; Dave Fry, Serving Ministry Coordinator; Maria Gathje, Worship Ministry Coordinator; (front row) Dan Strehlow, President; John Nye, Communications, Marketing and Technology Coordinator and Alex Zuzek, Vice President and Buildings and Grounds Coordinator. Not pictured is Natalie Carda, Human Resources Coordinator.

Newly Elected Council Member

John Nye was elected to a two-year term on St. Philip's church council. He replaces Warren Thomas, and will serve in the area of Communication, Marketing and Technology. Welcome to the council, John.

Take Me Out to the Ball Game!

March means Spring is coming, and so are the Boys of Summer! Baseball is just around the corner! We will be planning our second annual St. Paul Saints family outing in the coming months. Last year we had a great response, so we hope we will have lots of interest again this year.

Watch for details that will be available soon.

Greeters - Make You Feel Welcome

On February 2, Wayne Fahlstrom, Jon Faust, and Beth Fahlstrom are seen volunteering as greeters. A great start to entering for worship is to be welcomed with a smile and handshake. The Time and Talent forms recently returned was the place to check if you'd be willing to be a greeter. If you missed it, simply report your willingness to the church office.

Faith Formation Opportunity!

Attention 5th graders: Let's talk about Holy Communion. Every Sunday in Lent, Pastor Geier is meeting with our 5th grade students to learn about the sacrament of Holy Communion during the Sunday School hour! Each week during Lent we will be using the Bible, Luther's Small Catechism, skits, memorization, interactive conversations and games to hopefully gain a better understanding and appreciation of this gift from God. Even if you haven't participated before, now would be a great time to jump in. Call Pastor Geier or talk with Carlos Villavicencio or Kristian Ronning if you have any questions.

Holy Communion

See you at Sunday School!

Synod Summer Internships *Applications Now Accepted!*

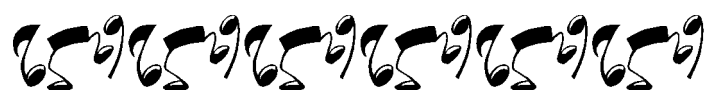

The synod is now accepting applications for the third summer of its internship program for young adults ages 17-21. Up to ten interns will serve at sites that focus on feeding the hungry, working with refugee/immigrant populations, social work, working with children, community gardening or working with the elderly. The interns will receive a \$4,000 stipend, funded by the synod's Planting Hope Campaign, while working 20-24 hours per week, June 9-August 22. The interns will also meet weekly as a group for learning, conversation and worship. Applications will be reviewed as they are received so early applications provide the best opportunity for selection.

This great program provides young people a meaningful summer work experience, along with an opportunity to learn, serve and reflect. Pastor Bristol Reading, who serves as the pastor at St. Luke in St. Paul, will again coordinate this program. For more information and an application form, go to: <https://spas-elca.org/summer-internships/>

A Children's Choir Come Back

Getting through the perils of the Covid pandemic and the passing of long-standing choir director Ellen Diischer, created an almost impossible return to the sound of singing children which St. Philip's once had. Pictured are eight strong voiced children trained and directed by Kelsey Wormley who have become an attraction at a Sunday worship service one doesn't want to miss. Their strong anthems and poised stage presence is something to behold. Hats off to Kelsey, the children and their parents for bringing them to rehearsal at 5:30 pm on Wednesdays.

Confirmation Retreat

one day

Saturday, March 29,
9:30 am - 5:00 pm
Schaar's Bluff Gathering Center

We all know that Jonah was swallowed by a huge fish, but there is so much more to the story of this wayward prophet. During our confirmation retreat on March 29, we will learn why Jonah was mad at God and why Jonah was different than all the other prophets.

There will be fun and games and Bible studies and FOOD! Please pray for our confirmands along with Pastor Geier, Nick Clark, Kristian Ronning, and Carlos Villavicencio as they spend time in Scripture and fellowship.

Easter Egg Candy

Our Children, Youth, and Family Ministry is accepting donations of Easter candy through the month of March. Candy will be used to fill plastic eggs for the annual Easter Egg Hunt for our Sunday School children on Easter morning. Donations can be dropped off in the Easter Candy Box in the narthex. Thanks for your contributions!

Vacation Bible School

Spring is almost here and it is time to start thinking about Vacation Bible School. This year we will be doing Camp Firelight. VBS is the week of July 14-17. We hope as you are planning your summer you add this fun event to your schedule. As always, we are also going to be in need of lots of teen and adult volunteers. More information coming soon!

Save the Dates for First Communion Class!

If your son or daughter is asking about receiving Holy Communion, and you would like to explore the possibility, we will have a two-session preparation "class" on April 5th and 12th to introduce this awesome gift from God. We will then celebrate their first communion on Maundy Thursday, April 17

MARK YOUR CALENDARS AND STAY TUNED FOR MORE INFORMATION IN THE APRIL NEWSLETTER.

No Ordinary Sunday School

Children in St. Philip's Sunday School experience the best in prepared lessons by excellent teachers. Pictured is Marjorie Peterson tracing the outline of a student's body to bring the day's lesson into understandable form. Check out the bulletin boards to see the clever use of this example. Bernita Weber, is the team teacher for this 3rd and 4th grade class.

Keeping Connected

Hello from Mackenzie, Tom, and Eleanor!

Both Tom (Kennedy) and I, Mackenzie (Lucas-Kennedy), grew up in Hastings, both HHS graduates of 2011. We've been friends since middle school, but actually didn't start dating until my Sophomore year of college. After high school, I attended the University of North Dakota, earning my Bachelor's degree in social work, while Tom worked as a paid on-call firefighter/EMT in Hastings and enlisted in the Air National Guard in 2013. I later earned my Master's in Social Work from the University of Southern California. Tom and I have been married since November 2016 and we had our daughter Eleanor Rae Kennedy, in December 2022. We currently reside just across the border in Prescott, Wisconsin, where we have lived just over seven years now. We also have our cat Martin and goldendoodle, Marvin. Yes, that does get confusing sometimes ;)

I am currently working as an Elementary School Social Worker in Hastings and Tom works on the Air National Guard base as the 210th EIS Cable and Antenna Superintendent. In our free time we enjoy traveling and being outdoors. Some recent memorable vacations have been the Black Hills, France, and Arizona. We are still deciding on where we want to travel for our summer vacation this year! Tom enjoys working on his 1973 Ford F-100 and racing it, as well as hunting, and fishing in his spare time. I enjoy exercising, reading, and fun activities with Eleanor. Eleanor has been our pride and joy the last two years - we continue to be amazed by her each day! She enjoys so many things; some of her current favorites are reading, singing, playing with dolls, building with magna-tiles, and being outside.

St. Philip's has been my church home since I was young. My family (Jeff, Lynn, and Mitchell Lucas) was always active in church events - from Sunday school, VBS, bible camp, confirmation, mission trips, volunteer opportunities, the annual church garage sale, and so much more, we were a part of it growing up. St. Philip's has brought me so many friendships I

still have today. The friendships and community St. Philip's has blessed me and my family with comforted us through the tragic loss of my brother in October 2012, celebrated in our joy and love as Tom and I were married by Pastor Gordon Gathright in the St. Philip's sanctuary in November 2016, and again, the church community shared in our grief as my mom's funeral was held in the same sanctuary in November 2023.

We haven't been very active members, however with Eleanor being older, we want her to have the family and community of a church that I had growing up, and we hope that St. Philip's will continue to be that for us. St. Philip's holds a special place in our hearts, and we look forward to being part of it more regularly again.

Blessing of the Quilts

Seventeen beautiful quilts were blessed at worship on February 9 prior to being delivered to Lutheran World Relief. LWR will distribute these to those around the world in need of a warm blanket in areas such as refugee camps, natural disaster regions or war zones. These quilts were made by St. Philip's Do Days Ministry team.
